# LOCAL NEUROSURGEONS STEP OUT FOR CANCER

*Regional Brain and Spine Offers Support for the  
American Cancer Society's Cure for Cape Gala, Aug 23*

**CAPE GIRARDEAU, MO. – Aug. 20, 2014** – [Regional Brain & Spine](#) (RBS) a leading neurosurgical, pain management, physical medicine and rehabilitation practice is proud to announce its support of the American Cancer Society's "A Cure for Cape Gala," being held on Saturday, August 23, 2014. Regional Brain and Spine is supporting this event as a Ruby Level Sponsor, with [Dr. Kyle Colle](#) attending the event, serving as an ambassador from RBS and will be providing attendees with information on how RBS treats those battling cancer.

"Organizations such as the American Cancer Society help to make a positive impact within our local community. Regional Brain and Spine is proud to support ACS' A Cure for the Cape Gala," said Dr. Colle, a neurosurgeon who specializes in minimally invasive surgical procedures of the spine and brain.

Regional Brain and Spine's team of board certified neurosurgeons and pain management experts are committed to furthering the mission of the American Cancer Society and helping people overcome their battle with cancer.
